Go, shine  
in the  
world

Dear parents and carers,  
A reminder - Academic Review Day is Friday 28th February and appointment letters were sent last week. As usual, there will be a Book Fair available. Please confirm your appointment with the office as soon as possible. School is closed for half term the week beginning 17th February 2025.

With best wishes, Ms Barnes (Head of School) and Mr Webb (Executive Headteacher)

## Safer Internet Day

Tuesday 11th February

Next week is Safer

Internet Day and children

will be learning about keeping themselves safe online during the week. This is a topic we regularly teach children about in our **Keeping Safe** curriculum, Computing curriculum and assemblies.

We have looked at AI (Artificial Intelligence) and scams. We discussed with the KS2 children, how sometimes AI notifications and messages appear when online, for example, to say that you've won a prize and encouraging you to share personal details. This is not a good use of AI and it is important not to share personal information with these Chat Bots. Find out more then [Safer Internet Day 2025 - UK Safer Internet Centre](#)

Children cannot take full responsibility for online safety though - **parents must be responsible for safe behaviour online**, including when and how children have access. Even if your child already has a smartphone, you still have the power to change your mind and take it away. There are plenty of parents who don't give their child a smartphone. There's plenty of time when they're much older and more responsible to explore the online world!

## Half Term Activities

## Movie Night

The children had a fantastic time and all funds raised went to the [Children's Society](http://www.childrenssociety.org.uk) ([www.childrenssociety.org.uk](http://www.childrenssociety.org.uk)) showing our Christian Value of **community**.

Many thanks to the St George's PTA for their help and support with Movie Night.

I have received and read the St George's CE Primary School newsletter of 07.02.25.
