Go, shine
in the
world

Dear parents and carers,
We are looking forward to seeing many of you tomorrow at the Academic Review Day, where the teachers will be sharing with you what your child will be learning this term.
With best wishes, Ms Barnes (Head of School) and Mr Webb (Executive Headteacher)

**Welcome

An update - Learning at home

We know that you will want to support your child with learning at home. Children have all taken home a **sharing book and independent reading books** this week. A sharing book is a book that the children have chosen from their class library to be read together with an adult at home. They may not be able to read this independently.

Independent reading books are books for children to practise reading at their level. Please listen to your child read these books to you.

Children will begin **weekly maths and English homework** on **Friday 12th September** to practise what they have been learning in class.

This week's winners of George the attendance bear are the **Nursery and Reception class** - well done!

This week you will have received a letter about Healthy Heart Day. We are always looking to improve the children's levels of physical activity at school so on **Tuesday 23rd September** all the children will be taking part in a Healthy Heart Day! This is a sponsored event involving the children joining in with Healthy Heart activities throughout the day including Zumba dancing, a skipping workshop, circuit training, making a healthy snack and learning about healthy bodies and minds.

Person of the week

Nursery and Reception class - Melissa
Year 1 and Year 2 class - Sami
Year 3 and Year 4 class - Nika
Year 5 and Year 6 class - Anaisha

Work of the week

Year 3 and 4 have been reading 'Wolves in the Walls' by Neil Gaiman.

Polina has written a powerful and dramatic letter from the point of view of Lucy.

In her letter, Polina has used persuasive techniques, dramatic vocabulary and short sentences to create a sense of urgency.

Polina has taken pride in her work and has organised her writing using the key features of a letter to present her work clearly and neatly.

Well done!

Our prayer...

*Dear God,
We don't know what the year holds, but you do,
Help us with our schoolwork and our friendships,
Help us to remember that you are with us through the good times and the bad.
Amen*

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Ms Barnes or Ms Ajmal.

We are always really pleased to meet with you and chat things through.
