Our School Vision Statement

Go shine in the world and live as Jesus lived.

Our School motto is based upon Matthew 5:14-16

Our school offers a distinctly Christian education in an inclusive environment, welcoming children and staff of all faiths and none.

'Our schools offer a community where everyone is a person known and loved by God, supported to know their intrinsic value.' The Most Reverend Justin Welby, Archbishop of Canterbury '

The distinctive nature of our approach to education can be found in our explicit Christian values, our Collective Worship, our grounded Christian ethos and in our Religious Education.

As a Church of England school we believe **every** child is made in the image of God, and therefore we want the best for them. We value our school community as a place where love can flourish.

Oversubscription Criteria

The Governors have agreed with the Local Authority that a maximum of 30 children may be admitted to each age group each year. This is in accordance with government legislation which limits infant class sizes.

School places are allocated by the Admissions Committee according to the criteria below and in that order. Where oversubscribed, the Admissions Committee will maintain an equal 50/50 split between foundation and open places, to facilitate inclusion and serving the common good of the local community.

- a) Looked-after children/previously looked after children (see definitions on page 6) who ceased to be so because they were adopted or became subject to a child arrangements order or special guardianship order.
- b) Children whose parents have worshipped at least fortnightly during the previous year at St. George's Hanover Square or the Grosvenor Chapel. (Evidence required)*
- c) Children whose parents have worshipped at least fortnightly during the previous year at a neighbouring Anglican church in the Westminster or Marylebone Deaneries. (Evidence required) *
- d) Children who have a sibling** attending the School at date of entry into Reception class.
- e) Children living within the parish of St. George's, Hanover Square*** but of other Christian churches, that are listed as members of Churches Together in England (CTIE), whose parent(s) have attended worship at least fortnightly during the previous year at their place of worship.
- f) Children living outside of the parish of St George's who are of other Christian denominations which are members of CTIE and whose parents have worshipped at least fortnightly during the previous year at their place of worship.
- g) Any other child.

Notes

All applicants must provide proof of date of birth, this can be a medical certificate, and proof of residence.

* Applications for criteria b, c, e, and f require written confirmation on the Supplementary Information Form of church attendance, fortnightly over a period of at least a year from your vicar.

INTRODUCTION

St George's Hanover Square CE Primary School welcomes children from all faiths or of no faith. As a voluntary aided Church of England school, the school aims to provide an education based on Christian principles, and has close links with its parish church where whole school worship takes place on a regular basis. Governors hope that parents who have chosen this school for their child have done so knowing that it is a Church of England school with a distinctive Christian ethos. Governors therefore expect parents to give their full support to the ethos of the school.

Governors hope that all children will attend the acts of collective worship and will take part in the religious education curriculum offered by the school. This does not remove the right that parents have according the Educational Reform Act 1988s9(3) to withdraw their child from these activities.

APPLICATIONS TO RECEPTION CLASS

Parents considering sending their child to the school are strongly encouraged to contact the school to arrange a meeting, which will include an opportunity to view the school. This meeting is to provide you with information about the school to help you to make an informed choice about whether the school is right for you and your child, but plays no part in determining who is admitted to the school.

Admissions to the reception class take place in one intake in September. It may be possible to vary this. This will be done in consultation with the parents concerned. Admission takes place in the school year during which the child has his or her 5th birthday.

Admissions to reception classes in primary schools are co-ordinated across all London boroughs. **You must complete a Common Application Form for the local authority in which you live and send it to the local authority.** On it you can name up to 6 schools in order of preference.

The home borough form (Local Authority Form) should be completed online at www.eadmissions.org.uk or, if you are having trouble applying online or want more help and advice about admissions, you can contact Westminster Council admissions

www.westminster.gov.uk/school-admissions. If your local authority is not Westminster you will need to return the form as advised by your local authority.

You must **also** complete the school's own Supplementary Information Form if you wish to be considered under the oversubscription criteria b, c, e, f, so that the governors can consider your application fully. **The school's own form (Supplementary Information Form) must be returned to the school.**

The number of places offered each year in the Reception class is 30.
Closing date for applications to Reception: Saturday 15th January 2024
National Offer Day for Reception places: Monday 17th April 2024

IN-YEAR ADMISSIONS TO RECEPTION CLASS

In-Year admissions are those which take place at times other than normal admissions to Reception Class. Applications for in-year admissions are managed by the school. **A Supplementary Information Form must be completed by all in-year applicants as this acts as the admissions form.** When a place becomes available, the governing body will determine who is top of the waiting list in accordance with the oversubscription criteria. The length of time on the waiting list does not determine admissions decisions. All offers of places will be made by the school.

APPLICATIONS TO YEAR 1 TO YEAR 6 CLASSES

Applications for Year 1 to Year 6 classes are managed by the school. **A Supplementary Information Form must be completed by all applicants to Year 1 - 6 as this acts as the admissions form.** When a place becomes available, the governing body will determine who is top of the waiting list in accordance with the oversubscription criteria. The length of time on the waiting list does not determine admissions decisions. All offers of places will be made by the school. You may ask for your child's name to be put on the waiting list.

APPLICATIONS ON BEHALF OF PUPILS ATTENDING THE SCHOOL NURSERY CLASS

Applicants should be aware that Nursery education is a non-statutory service and that accordingly a child's attendance in the School's Nursery Class does not guarantee a future place in the Reception, Infant or Junior classes.

PUPILS WITH A STATEMENT OF SPECIAL EDUCATIONAL NEEDS OR EDUCATION HEALTH AND CARE PLAN (EHCP)

The admission of a pupil with a statement of Special Educational Needs or an Education Health and Care Plan is dealt with by a completely separate procedure. This procedure is integral to the making and maintaining of statements by the pupil's home Local Authority. Details of this separate procedure are set out in the *Special Educational Needs Code of Practice*.

APPEALS

Parents of children whose applications are unsuccessful for a place at St George's do have a right of appeal against the Governors decision. They should write within 14 days to the Appeals Committee of the Governing Body at St George's School. Should an appeal be unsuccessful, the governing body will not consider a further application from those parents within the same academic year unless there have been significant and material changes in their circumstances.

LATE APPLICATIONS

Late applicants will be included on a single school waiting list along with unsuccessful applications received before the closing date, ranked in order of priority under the published admission criteria.

DEFERRED ENTRY TO RECEPTION CLASS/ PART-TIME ENTRY

It is the policy of the Governors to admit children to start in September following their fourth birthday. Parents have the right to defer entry until later in the school year. However; parents cannot defer entry beyond the beginning of the term after their child's fifth birthday, nor beyond the end of the school year. This means a parent could defer entry until January if the child was born between 1st September – 31st December or until April if the child was born between 1st January – 31st August. Parents must still apply at the normal time even if they wish to defer entry.

For children whose fifth birthday falls between 1 April 2025 and 31 August 2025, parents who do not wish them to start school in school year 2024-25, but to be admitted in September 2025 for school year 2025-26, should discuss this with the school at an early stage. Any requests for a whole year deferral must be made in writing to the Headteacher. Any decision regarding deferral will be made based on the individual circumstances of each case and the best interests of the child. Parental views, academic achievement, social and emotional development and where relevant medical views will be taken into consideration. The school governors will also take into consideration the views of the Headteacher. The reasons for the decision will be communicated to the parent in writing.

Parents may decide not to apply for a Reception place in the school but to apply for a Year 1 place in September 2025. Parents should be aware that the Year 1 group may have no vacancies as it could be full with children transferring from the 2024-25 Reception Year group. Alternatively, they may decide to apply in the normal round (no later than 15 January 2024) for a Reception Year place in September 2024, but would need to provide strong supporting reasons for seeking a place outside the normal year group and apply via the protocol outlined above.

Parents/carers may also request that their child attends part-time until their child reaches compulsory school age.

TIE BREAKER

If any category is oversubscribed, priority will be given to those living nearest to the School. Home address is defined as the address at which the child resides for 50% or more of the school week. Distances are measured by a straight line from the address

seed point (determined by ordinance survey data) of the child’s home address to the main school gate for pupils, as measured by the Local Authority’s computerised measuring system. Where it is necessary to differentiate between applicants living in flats using the same street entrance, priority will be given to the applicant(s) living closest to the ground floor and then by ascending flat number order. Where it is necessary to further differentiate between applicants living the same distance from the school, priority will be decided by random allocation.

CHILDREN OUT OF AGE

Requests for children to be admitted outside their chronological age group should be addressed to the Chair of Governors during the application process. The Admissions Committee will consider each request on its own merits and permission will only be given in exceptional circumstances.

FAIR ACCESS PROTOCOL

The Governors will comply with the locally agreed Fair Access Protocol to admit a child exceptionally, either outside the normal admission arrangements or in excess of the published admission limit, in order to protect the interests of vulnerable children and those children with challenging behaviour. These pupils will be shared between all schools in ways that are fair, objective and transparent.

A ‘previously looked after child’ is a child who was looked after, but ceased to be so because he or she was adopted, or became subject to a child arrangements order or special guardianship order.
