Dear parents and carers,

We are pleased to let you know our first school event of this year will be the Family Fancy Dress Disco - see overleaf for more details. Please also see a letter from the St George's PTA attached.

Work of the week

Nursery and Reception class are learning about the five senses. Matthias used the phonics mat to write facts about each sense during the writing lesson.

During Healthy Heart Day, Matthias learned about the importance of being active and took part in various physical activities. We explored eating a healthy diet and Matthias sorted healthy and unhealthy foods.

Well done!

Our prayer...

*Dear Lord ,
Use my eyes to see new friends,
Open my ears to hear my teacher,
Open my mind to learn new things,
Let my heart remember you are near,
Help me to love others like you do,
I want to shine your light brightly in my school.*

Amen

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Ms Barnes or Ms Ajmal.

St George's PTA

St George's parent group is open to any parents or carers who would like to be involved in helping with school community events. Any parents are welcome to offer their help on an event by event basis; there is no membership or requirement to help every time. Whether you are able to help source donations for raffle prizes, run a stall or help set up tables; every bit is appreciated.

St George's PTA meetings will be held at school, together with the head of school, as and when needed for event planning. In common with our school policy on helpful communication, we prize face-to-face communication as the most effective and fruitful method as it creates dialogue. Parents agreed that holding meetings in person was far more favourable and productive than attempting to plan via email or Whatsapp. The school will advertise meetings in the newsletter and remind parents by text - please do come along to the next meeting if you'd like to be involved or just to find out more.

Our next meeting will be on **Monday 29th September 2025 at 3pm** to allocate jobs for the Fancy Dress Disco on Friday 10th October. We look forward to seeing many of you there.

A road map of events for the year

We are careful to balance the number and size of events throughout the year so that it does not become unmanageable for parents and staff, while creating opportunities to engage the community. Likewise, events will usually be planned to be held outside of the children's school day so that there is little to no learning time lost.

Of course, as with any road map, there might be some slight changes as we go through the year.

Autumn term	Spring term	Summer term
Family Fancy Dress Disco Christmas Craft Fair	Movie Night	Summer Family BBQ

Communicating with other parents to organise events

The main and most important way to discuss ideas and to offer help is to attend the PTA meetings in school. You can also have a quick chat with Ms Barnes on the gate or book in a meeting to see her if you want to discuss events outside of the PTA meetings.

Vanessa Cassidy (mother of Pippa in Y3), school governor and Chair of St George's PTA) is organising parents who would like to be involved. If you would like to be involved with the St George's PTA group, please speak to Vanessa Cassidy in the playground.
