Go, shine  
in the  
world

Dear parents and carers,  
We teach children how to live healthily, including teaching children how to cook with fresh ingredients in our food technology curriculum. Take a look at what our children have been making.

A reminder - please make doctor or dentist appointments out of school hours where possible, otherwise the children miss important learning. Thank you for your support with this.  
With best wishes, Ms Barnes (Head of School) and Mr Webb (Executive Headteacher)

## Year 1 and 2 Food technology

During food technology, Year 1 and 2 learned to group ingredients to make fruity yoghurt cups. Children learned about the importance of safety and hygiene during preparation and making the fruity yoghurt cups.

## Year 5 and 6 Food technology

During food technology, Year 5 and 6 learned about the principles of nutrition and healthy eating. Children selected and prepared ingredients to cook cheesy leek parcels.

## Nursery and Reception Mayfair Library Visit

As part of Nursery and Reception's focus on reading, children visited Mayfair Library and took part in a story time session with the librarian. They shared stories with teachers and parent helpers and borrowed a library book to enjoy reading at school until the next planned visit.

I have received and read the St George's CE Primary School newsletter of 14.11.25.
