Poetry recital	The Eagle by Alfred Lord Tennyson											
Maths Y5	Place value		Multiplication and division A			Addition and subtraction		Addition and subtraction	Fractions A			
Maths Y6	Place value		Four operations					Converting units	Fractions A		Ratio	
R.E	What might the journey of life and death look like from a Christian perspective?							How would Christians advertise Christmas to show what Christmas really means today?				
Visits / Visitors	History: Visit to the Imperial War Museum, 'We Were There: Ask Questions About Conflict' learning session https://www.iwm.org.uk/visits/iwm-london/schools/learning-sessions Lambeth Rd, London, SE1 6HZ OR History: Visit to the RAF Museum: 'Air Raid!' Workshop. https://www.rafmuseum.org.uk/london/schools/school-activity-programme/ Financial skills for work: World of Work educationteam@hsbc.com							Science: Visitor in school - Science Off the Page, 'Predators and Prey' workshop https://www.historyofthepage.co.uk/ Geography: Hyde Park – Terrific Trees and Carbon (the role of trees in climate change) https://www.royalparks.org.uk/learn/schools/sessions-parks/primary-ks1-ks2#sustainability				
Science	Living things and their habitats We are learning to describe how and why living things are classified.	Living things and their habitats We are learning to classify plants.	Living things and their habitats We are learning to classify	Living things and their habitats We are learning to classify animals. (invertebrates)	Living things and their habitats We are learning to classify micro-organisms.	Living things and their habitats We are learning to investigate the growth of micro-organisms.		Evolution & Inheritance We are learning to recognise that living things have change	Evolution & Inheritance We are learning to recognise that fossils provide evidence of evolution.	Evolution & Inheritance We are learning to recognise that living things produce offspring of the same kind but are normally	Evolution & Inheritance We are learning to understand how plants are adapted to their environment.	Evolution & Inheritance We are learning to identify how animals are adapted to their environment.

			animals. (vertebrates).					changed over time.		not identical.		
History The impact of World War Two on London	We are learning the time and place of World War Two	We are learning to explain the impact of evacuation during World War Two	We are learning to understand how the British government and public managed shortages during World War Two	We are learning to explain impact of the Blitz on London during World War Two	We are learning to explain the impact of World War Two on daily life in London	We are learning to explain the impact of World War Two on daily life in London	Taught in 1 st half of term					
Geography What are the different climates and biomes around the world?	Taught in 2 nd half of term						We are learning to understand how earthquakes and volcanoes are formed.	We are learning how landscapes are created	We are learning about micro climates	We are learning about different biomes	We are learning to understand how pollution is affecting the climate	We are learning why clean water is so important
Art and design	Drawing (Key Skills and Techniques) We are learning to draw pictorial maps.	We are learning to create a townscape collage.	We are learning to draw people in action	We are learning to explore texture in natural forms.	We are learning to create an image featuring contrasting patterns and shapes.		Painting (Still Life) We are learning about still life paintings.	We are learning to create a still life composition	We are learning to explore colour and tone in painting.	We are learning to explore the effects of colour in painting.	We are learning to arrange and draw a still life composition	

DT	Structures (Building Bridges)														
PE	Basketball (The PE Hub lesson plans – www.thepehub.co.uk)								Football (The PE Hub lesson plans – www.thepehub.co.uk)						
PSHCE in addition to weekly lesson									Whole School Project Week- Equality Studies Anti-bullying week Workshop-Modern Day Slavery Workshop-Anti radicalisation Citizenship day-including using London transport safely						
PSHCE weekly lesson	To recap how to keep ourselves healthy. (Physical health and fitness)	To explain some of the health benefits of being active. (Physical health and fitness)	To learn about the risks associated with using different drugs, including tobacco and nicotine products, alcohol, solvents, medicines and other legal and illegal drugs. (Drugs, alcohol and tobacco)	To learn what is meant by privilege. (Respectful relationships)	To learn to identify and critically evaluate current hair beauty stereotypes. (Respectful relationships)	To learn about the different sources of health information and how we make informed decisions. (Health and prevention)			Taught in 1 st half of term						
Computing	Taught in 2 nd half of term								Creating media: webpage creation	To plan the features of a webpage.	To consider the ownership and use of images	To recognise the need to preview pages.	To outline the need for a navigation path.	To recognise the implications of linking to content	

								To review an existing website and consider its structure		(copyright)			owned by other people.

Maths Y6	Fractions B		Decimals	Fractions B				Algebra		Area, perimeter and volume	Statistics	
R.E	Buddhism – What does it mean to be a Buddhist?							How does the Christian festival of Easter offer hope?				
Visits / Visitors	History: Visitor in school - History Off the Page – Homefront 1940s workshop https://www.historyoffthepage.co.uk/ OR History: Visitor in school – Historic Workshops – World War II workshop https://www.historicworkshops.com/ww2-workshop.html Theatre visit- West End Production (Booking agreed with Head of School and Y6 teacher)							RE: Visit to church for Stations of the Cross Computing: Visitor from Camden Learning Centre (CLC), 'Creating Media – 3D modelling' workshop https://camdenlearning.org.uk/school-improvement/camden-learning-centre/				
Science	Animals, including humans We are learning to identify the main parts of the circulatory system and describe the function of the heart.	Animals, including humans We are learning to describe the function of blood.	Animals, including humans We are learning to describe the function of blood vessels.	Animals including humans We are learning to describe how nutrients and water are transported in humans.	Animals, including humans We are learning to investigate heart rate. (planning)	Animals, including humans We are learning to investigate heart rate. (investigating)		Animals, including humans We are learning to understand what is meant by a balanced diet.	Animals, including humans We are learning to recognise how diet affects the way the body functions.	Animals, including humans We are learning to recognise the benefit of exercise on how the body functions.	Animals, including humans We are learning to recognise the impact of drugs on how the body functions.	Animals, including humans We are learning to identify other lifestyle factors that impact how the body functions.

History Historical study of London post World War 2	We are learning to know the time and place of London post World War 2	To understand the problems Britain faced after World War 2	To know and understand the difficulties faced by the Windrush settlers	To understand what life was like in London during the 1950's	To understand the changes to life in London between the 1940's and the 1950's.	To understand the changes to life in London between the 1940's and 1950's.	Taught in 1 st half of term				
Geography How has land use changed over time?	Taught in 2 nd half of term										
Art and design	Sculpture (Wire Figures) We are learning to sketch figures in motion.	We are learning to sculpt with wire.	We are learning to construct an armature.	We are learning to model form.	We are learning to paint our sculptures. We are learning to review and evaluate our work.		Printing (Victorian Patterns) We are learning to explore Victorian patterns.				
DT	Electrical Systems (Fairground)										
PE	Gymnastics Unit 1 & 2 (The PE Hub lesson plans – www.thepehub.co.uk)						Dance (The PE Hub lesson plans – www.thepehub.co.uk)				
PSHCE in addition to weekly lesson							Whole School Project Week- Keeping Safe Studies Workshop- Growing against violence -Anti-gang work Workshop-Internet safety				
PSHCE weekly lesson	To learn about mental health; what it means and how we can take care of it. (Mental wellbeing)	To learn about how feelings and emotions are affected and can be managed at changing, challenging or difficult	To identify different tactics someone might use to manipulate another person online. (Online relationships)	To explain what to do if someone tries to pressure or manipulate them.	To begin to identify risks and risky behaviour. (Being safe)	To learn the importance of good sleep. (Health and prevention)	Taught in 1 st half of term				

		times. (Mental wellbeing)		(Online relations hips)								
Computing Programming A – <i>Variables in games</i>	Taught in 2 nd half of term							To define a 'variable' as something that is changeable	To explain why a variable is used in a program	To choose how to improve a game by using variables	To design a project that builds on a given example	To use my design to create a project
Spanish	My family - Possessive determinants	I have - Pets/ animals	Our bodies	Clothes	Clothes	Retrieval Practice		School	Pencil case	Around my home	My town	Easter Celebrations
Music	Unit 17 Harmony To sing in canon	To sing in canon	To explore chords	To explore chords	To explore bass lines	To explore bass lines		To explore singing in thirds	To explore singing in thirds	Learning how to harmonise	Learning how to harmonise	To develop a song through the use of harmony
Food Tech	Royal Rice											

St George's Hanover Square Year B Year 5/6 Curriculum Map Summer Term

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
English texts and genre	Narrative poem The Lady of Shalott- Lord, Alfred Tennyson				Narrative Wonder- R.J. Palacio		Whole School Project Week	Narrative Wonder- R.J. Palacio (continued)				Speech writing
Reading Lesson text	The Lady of Shalott- Lord, Alfred Tennyson				Wonder – R.J. Palacio			Narrative Wonder- R.J. Palacio (continued)				
Story Time	Pig Heart Boy (Malorie Blackman) Secret Friends (Elizabeth Laird)							Journey to the River Sea (Eva Ibbotson) Where do you go, Birdy Jones? (Joanna Nadin)				
Poetry recital	The Witches extract from Macbeth by William Shakespeare											
Maths Y5	Shape		Position and direction	Consolidation and investigations	Volume			Decimals			Negative numbers	Converting units
Maths Y6	Shape		Position and direction	SATs Preparation and SATs				Consolidation and investigations				
R.E	How has the Christian message survived for over 2000 years?							Rules and responsibilities: Who decides?				
Visits / Visitors	PSHCE: Visit to Houses of Parliament 'Adventurers tour of Parliament' https://www.parliament.uk/education/ PSHCE: Visit to Junior Citizenship Day Computing: Visitor from Camden Learning Centre (CLC), 'Programming B – Sensing (using BBC Microbit) workshop' https://camdenlearning.org.uk/school-improvement/camden-learning-centre/							Science / Geography: Visit to Kew Gardens, 'KS2 Evolution and Adaption' (science) OR 'KS2 habitats: rainforest' (geography) sessions https://www.kew.org/kew-gardens/school-visits/browse-sessions/key-stage-2 Residential visit to PGL in Liddington http://www.pgl.co.uk/en PGL Adventure Centre Liddington, Foxhill, Swindon, Wiltshire, SN4 0DZ OR Sayer's Croft, Surrey https://active.westminster.gov.uk/sayers-croft/				
Science	Light We are learning to explain how we see things.	Light We are learning to apply understanding of how light travels to explain how a periscope works.	Light We are learning to understand that white light is made of many colours and these can be separated out.	Light We are learning to identify the variables that affect the size of a shadow.	Light We are learning to carry out a fair test to investigate shadow size.	Light We are learning to give examples to explain the way that light behaves.		Electricity We are learning to represent a simple circuit in a diagram and describe how it works.	Electricity We are learning to use a switch in a simple electrical circuit, show it in a diagram and describe	Electricity We are learning to demonstrate the effects of changing the current flowing through	Electricity We are learning to demonstrate the effects of changing the current flowing through	Electricity We are learning to demonstrate how circuits can be represented in, and constructed from, diagrams

								how it works.	components in a circuit.	components in a circuit		
History Crime and Punishment	We are learning to know the time and place of crime and punishment in Britain	We are learning to understand crime and punishment in Medieval England (1000-1500AD) <i>Middle Ages</i> <i>Witches</i> <i>capital/corporal punishment/humiliation</i>	We are learning to understand crime and punishment in Early Modern Britain (1500-1600AD) <i>Tudors</i> <i>Religious crime,</i> <i>capital/corporal punishment/humiliation</i>	We are learning to understand crime and punishment in the Georgian Period (1700-1800AD) <i>The rise of highway robbery and the Bloody Code</i>	We are learning to understand crime and punishment in the Victorian Era (1800-1900) <i>Sir Robert Peel and the police force and prison reform</i>	We are learning to explain how punishment of crime in Britain has changed over time (1000AD – 1900AD)	Taught in 1 st half of term					
Geography What are the geographical features of South America and Asia?	Taught in 2 nd half of term						We are learning about the Amazon region	We are learning what it is like to live in the rainforest and why it is so important	We are learning how to protect the rainforest	We are learning about the climate of South East Asia	We are learning how land use in Singapore has changed	We are learning how Singapore is planning for the future
Art and design	Collage and Textiles (Manipulating Fabric and Collaborative Collages) We are learning to explore ways to manipulate fabric.	We are learning to wave on a card loom.	We are learning sky and sea techniques using collage materials.	We are learning to work collaboratively to create a collage.			Digital Media (Digital Collages) We are learning to create a digital collage.	We are learning to create a collaborative collage.	We are learning to create and edit a digital collage background.	We are learning to create and edit a digital collage background.	We are learning to add text to a digital collage.	

DT	Structures (Bird House Builders)											
PE	Cricket (The PE Hub lesson plans – www.thepehub.co.uk) Athletics (The PE Hub lesson plans – www.thepehub.co.uk)							Tennis (The PE Hub lesson plans – www.thepehub.co.uk) Outdoor and Adventurous Activity (Y6 residential)				
PSHCE in addition to weekly lessons												
PSHCE weekly lesson	Taught in 2 nd half of term							RHSE UKS2, Module 2, Unit 2, Session 2 Do you want a piece of cake (TT)	RHSE UKS2, Module 1, Unit 2, Session 2 Girls' bodies (TT)	RHSE UKS2, Module 1, Unit 2, Session 3 Boys' bodies (TT)	RHSE UKS2, Module 1, Unit 4, Sessio n 1 Making babies (part 1) (TT)	RHSE UKS2, Module 1, Unit 4, Session 2 Making babies (part 2) (TT)
Computing	To create a data set in a spreadsheet	To build a data set in a spreadsheet	To explain that formulas can be used to produce calculated data	To apply formulas to data.	To create a spreadsheet to plan an event	To choose suitable ways to present data	Taught in 1 st half of term					
Spanish	Spain and other countries	Spanish culture	Food	Food	The Weather	Retrieval Practice	Ways of transport	Spanish history	Routines and Time	Routines and Time-Using adverbs	Professions	
Music	Unit 18 Rhythm Understanding syncopation	Understanding syncopation	To layer syncopated rhythms	To layer syncopated rhythms	To read syncopated rhythms	To read syncopated rhythms	To compose a syncopated rhythm	To compose a syncopated rhythm	To perform using syncopated rhythms	To perform using syncopated rhythms	To summarise our learning of syncopation	
Food Tech	Cheesy courgette muffins
