Attendance...

Congratulations to **Year 5 and Year 6** who have been awarded George, our Attendance Bear, for having the **BEST ATTENDANCE** last week.

Please make sure your child is in school every single day unless they are too unwell to come to school.

We are nut aware school...

A reminder that we are a nut aware school. We have children and staff at St George's with nut allergies. Please do not send your child into school with nuts (or nut-based products) as a snack or in their lunch boxes. Thank you for your help with this.

Work of the Week!

This week's brilliant piece of work displayed in the school is by Eva in Reception.

Reception class have been learning about the five senses. During their writing lesson, Eva used a phonics mat to identify and write sounds in order to write facts about each sense. During Healthy Heart Day, Reception class learned to identify foods that are important for a healthy diet. Eva enjoyed sorting healthy and unhealthy foods and learned about the importance of being active.

Well done, Eva!

Our Prayer of the week...

Dear Lord,
Use my eyes to see new friends,
Open my ears to hear my teacher,
Open my mind to learn new things,
Let my heart remember you are near,
Help me to love others like you do,
I want to shine your light brightly in my school.
Amen

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Ms Mitchell or Ms Ajmal.

We are always really pleased to meet with you and chat things through.
