Many thanks to the parents and carers who have accompanied classes on trips so far this term - your time is much appreciated. Harvest service and harvest donations...

We are pleased to announce that we will be having a Harvest celebration service at St George's Church on **Friday 23rd October at 9.30am**. Parents are welcome to attend.

From Monday, we will be collecting donations for the Harvest service to be given to the food bank. At St George's, this is one of the ways that we show our values of community, friendship and compassion by donating to people who are in need. Packets and tins of dried food are most useful, alongside toiletries, such as soap and shampoo. We will have a box for items at the main gate each morning and afternoon for children to bring items to donate.

I have received and read the St George's C of E Primary School newsletter of 2.10.26

Work of the Week!

This week's brilliant piece of work displayed in the school is by Matilda in Year 6.

As part of their Maths curriculum, Year 6 have been learning to round numbers. Matilda showed a clear understanding of how to round numbers accurately to different place values and carefully followed each step to success. She also presented her work neatly and checked her answers thoughtfully.

Well done, Matilda!

Our Prayer of the week...

Dear Lord,

Bless all the homeless people in the world,
And those who have to beg for food.
Open our eyes to their needs,
So that we can help them in any way that we can.

Amen

Don't let a little worry turn into a big one...

If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Ms Mitchell or Ms Ajmal.

We are always really pleased to meet with you and chat things through.
