EXCEPTIONAL PRIMARY EDUCATION

Dear Parents and Carers,

This week, children in all classes have been learning about aspects of gender, race and religious equality as part of the school's equality curriculum. We look forward to sharing some of their work next week.

With best wishes, Ms Mitchell (Head of School) and Ms Dyson (Executive Headteacher)

Poetry Assembly…

As part of the English curriculum, all of our pupils learn poems to recite off by heart. Before half term, they performed these poems in front of the school in a poetry recital assembly. The children made us feel very proud, demonstrating the school values of 'Inspiration' and 'Excellence' during their highly entertaining performances.

Harvest Festival…

On the last Friday before half term, Fr Roddy joined us for a special Harvest assembly. Thank you for your generous donations of food and essential items for our local food bank. Your kindness will make a real difference to local families this autumn.

An important deadline…

If you or someone you know would like place in Nursery or Reception class for September 2027 then **applications must be made by 15th January 2027. Do not miss the deadline!**

Applications to Reception must be made through eadmissions.org.uk by 15th January 2027 and a separate school application form handed in.

If your child is currently in St George's Nursery then **you must still apply.** Applications to Nursery must be made directly to the school by **15th January 2027.** An admissions policy and application form can be picked up from the school office or on our website.

I have received and read the St George's C of E Primary School newsletter of 6.11.26

Attendance…

Congratulations to **Year 3 and 4 class** who have been awarded George, our Attendance Bear, for having the **BEST ATTENDANCE** last week.

Please make sure your child is in school every single day unless they are too unwell to come to school.

A reminder that the school gate is open at 8.40am every day. Morning Practice starts at this time and there is English and Maths learning for the children to complete each day. Please make sure that your child does not miss out on this important learning.

Work of the Week!

This week's brilliant piece of work displayed in the school is by Jennah in Year 6.

As part of their Equality Studies curriculum, Year 6 created self-portraits to celebrate their uniqueness.

Jennah showed a fantastic understanding of how we are all different and it is these differences that make us special. Jennah created a wonderful self-portrait showing great creativity and attention to detail.

Well done, Jennah!

Our Prayer of the week…

Dear God,

We remember those who stood for love and truth, and thank you for the sacrifice they made for me and you. Thank you that we can now enjoy peace and learn to love not fight. Thank you that we can now sing and play, and not be scared or hide.
We pray for other countries where children live in fear, and there is war and fighting and many are in tears.
Please help to make things better, and bring some peace to them.

Amen

Don't let a little worry turn into a big one...
If you or your child are worried about something or have any questions, please phone the school office and book an appointment to see their class teacher, Ms Mitchell or Ms Ajmal.
We are always really pleased to meet with you and chat things through.
